Let's chat... in SILENCE!

Using whatever hand signals and facial expressions you like see how many of the following things you can communicate to someone near you without using any words or sounds:

I am hungry I would like a drink
 I am sad Let's play I am in pain
 Let's tidy my room I am curious

PIC-COLLAGES

LET'S PRAY! 	AMEN!
BE KIND TO EVERYONE! 	LET'S CELEBRATE!

CELEBRATE!!
 Loving God, we thank you that knowing you is such a special thing in our lives. We thank you that Jesus is a special friend as well as being your son. We pray for those people who are our friends that do not yet know Jesus as their special friend. Help them to also find the special treasure.
