## Church of England Primary Academy

Archbishop Cranmer Church of England Primary Academy is a spirited, exciting and distinctive Church School of the highest calibre and reputation located in Aslockton village close to Bingham and Radcliffe-on-Trent.

Our outstanding **OfSTED** and **SIAMS** rated school is an extremely successful place for children to learn and grow. The latest KS1 and KS2 SATs results are excellent yet again and we were ranked in the **2017 Sunday Times top 100 schools nationally**. We are also proud to feature as a highly ranked school in The Sunday Times Parent Power Schools Guide 2019.

Archbishop Cranmer is one of the two founding Academies of the Aspire Multi-Academy Trust, established four

years ago. The MAT continues to expand from its current status of six schools. It is led by a highly respected Chief Executive Officer to provide strategic leadership and support across the MAT and its Academies.

## About our School

We operate a **'beyond expectation'** model in the high standards we set ourselves by offering a broad, balanced and rich curriculum with a culture of opportunity for all the children.

## Being involved

We have an active pupil parliament where children are encouraged to develop ideas and projects of their own to enhance the life of the school. There are also many other opportunities for the children to actively participate in the running of the school in becoming sports ambassadors, librarians and reading partners to name a few.

## Participation in sports

We value sport highly, not just for the sake of fitness but also to develop our children as young people. Children from reception through to Year 6 are encouraged to take part in sports regularly. We have dedicated sports coaches who offer a range of activities including netball, football, table tennis, cross country and many more.

## Beyond the classroom

Children regularly undertake residential and other school trips as part of our education programme which also includes drama, singing and specialist musical tuition. With a large range of extra curricular activities on offer from 'games club' to our green-fingered environmental 'plot to pot' club, there is something for everyone to get involved with.

For more information about what we get up to on a regular basis including our extensive range of extra-curricular activities please see our website and twitter feed.
