## Why We are doing this

We are doing this because we had a student teacher who gave us homework for the time she was gone to make money for your chosen charities. This links to our young leaders booklet that we are doing

## What We are doing

We have chosen to bake because we think that if we come together and make food we will make alot more money then on our own.

## Animal Rescue

### Founded in 1824

We were founded in a london coffee shop in 1824. Then men present knew they were creating the world's first animal welfare charity, but they couldn't have imagined the size and shape that the charity would become today

Back then we were the SPCA - Society for the Prevention of cruelty to animals. Royal Patronage followed in 1837 and Queen Victoria gave Permission to add the royal R in 1840 making them RSPCA.

### Why I chose this Charity!!!

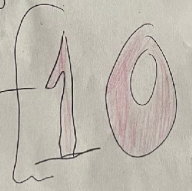

I chose this charity because I think it is a lovely thing to do by taking in sick, injured, lost and tired animals.

# macmillan

Mac Millan is a Charity to help with Cancer

### The History

Douglas Mac Millan founded the charity 1911 by donating £10 Pound. That is what I would like for you if not anything you will be comfortable with.

### Why I chose this Charity

I chose this Charity because we think that it is serious and many people died by it in the past.

Please donate something!
