

Pupil Parliament End of Year Report 2022/23

By Eva (Curriculum Minister), Lyla (Deputy Prime Minister), and Aurelio (Prime Minister)

This year has been filled with numerous exciting activities and events organised by the Pupil Parliament. We are proud to share our achievements and the positive impact we have had on our school community.

Pyjama Day

At the start of the year, we organized a pyjama Day on the 26th of October, which was a great success. The children loved coming to school in their pyjamas. Before the day began, we gathered together and enjoyed sausage cobs while Lyla, our Deputy Prime Minister, read us a joyful book. It was a delightful moment that brought smiles and laughter to everyone.

Book Sorting Initiative

Our Curriculum Ministers, Eva and Poppy, helped Mrs. Rogers with sorting books. They organised the books into stages and classes and delivered them to the appropriate classrooms. This effort ensured that all students had access to the books they needed for their studies.

Sleigh Bell Stroll

As Christmas approached, our Prime Minister, Aurelio, organised a Sleigh Bell Stroll for the whole school. We walked around our village, spreading holiday cheer. Aurelio enlisted the help of his Year 6 classmates to run various stalls, including games, prizes, cakes, tattoos, and raffle tickets. This event brought the community together and was enjoyed by all.

UK Parliament Week

During UK Parliament Week, Lyla, Eva, and Poppy led the activities. Lyla prepared a PowerPoint presentation to explain what we do in our Pupil Parliament, as well as the functions and operations of the UK Parliament. This educational session was informative and helped our fellow students understand the importance of governance and democracy.

Careers Week

Lyla and the Curriculum Ministers assisted Mrs. Rogers in organising the 2024 Careers Week. The week featured a variety of fascinating jobs, which the children loved and enjoyed experiencing. It was an enriching and fun week that provided valuable insights into different career paths.

Wellbeing Hub

Our Wellbeing Ministers came up with the incentive to raise funds for a wellbeing Hub. A fundraising idea was to challenge ourselves to run 3 marathons before the end of the school year. Some Ministers/Leaders took part in this challenge and inspired their peers.

This year has been an incredible journey for the Pupil Parliament. We have worked hard to create enjoyable and educational experiences for our peers. We look forward to continuing our efforts in the coming year and making a positive difference in our school community.
