Aim:  
To work with others on local and global issues

Action(s):  
Visitor from Christian Aid – eco ministers to continue assemblies to raise awareness  
Toilet Twinning  
Gain global neighbours accreditation  
Widen charities

How long will it take?  
1 year

Who is responsible?  
ER & Eco ministers / Christian distinctiveness ministers

How we will monitor progress:  
Global neighbours accreditation  
Raise funds for toilet twinning

Evaluation:

Eco-Schools Topic: Healthy Living

Aim:  
To promote healthy lifestyles and positive wellbeing across the school

Action(s):  
Harvest Festival  
Horticultural Show  
Growing fruits and vegetables in our outdoor area and use produce in the classroom  
Pupil well-being vote - yoga  
Staff member ELSA training  
The Big Soup Share

How long will it take?  
1 year

Who is responsible?  
JY (P2P), ER & Eco ministers, LW (ELSA)

How we will monitor progress:  
Photographs  
Well-being questionnaire  
ELSA progress reports

Evaluation:  
Wellbeing forms part of our school development – all pupils at ABC live a healthy and positive lifestyle, living life in all its fullness.

Eco-Schools Topic: Marine

Aim:  
To raise awareness of the impact of plastic in our oceans

Action(s):  
Plastic in the oceans day with focus across the curriculum in all classes  
Collection of bottle tops for display  
Use or biodegradable products across school  
Become a 'plastic clever' school

How long will it take?  
1 year

Who is responsible?  
ER & eco ministers

How we will monitor progress:  
Plastic clever school accreditation  
Reduce single use plastic in school  
Children's awareness is raised

Evaluation:
