'Striving for Life in all its Fullness'

Wednesday 19th March 2025

Dear year 3 parents and carers,

I am pleased to inform you that your child will be participating in a fun and creative 'Shadow Theatre' workshop, which ties in with their current Science learning about shadows and light.

The session will start with an introduction to theatre elements like the proscenium arch, wings, lighting, and sound. Then, the children will work in groups to design mini-shadow theatres using cardboard boxes, creating their own shadow puppets and sets. They'll have time to create and perform short shadow plays using their puppets and sets.

This workshop was fully booked when the school first inquired, but a last-minute cancellation has allowed us to secure a spot! The workshop will take place on **Thursday 27th March 2025**. The cost for this exciting session will be **£6.50 per child**, payable via Arbor in the activities section under clubs.

We're excited for your child to join in on this hands-on experience!

Best regards,

Mrs Lock
