Little City – Role Play Workshops - Monday 10th February 2025 - Careers Week

Dear parents and carers,

As part of our 'Careers Week' activities, we are thrilled to offer an exciting opportunity for children in Pre-school, Foundation, Year 1 and Year 2. On Monday, 10th February, they will take part in an interactive small-world role-play session, designed to spark their imagination and creativity while developing social skills.

During these workshops, the children will have the chance to immerse themselves in various role-play scenarios, such as being doctors, hairdressers, or dentists. Each class will enjoy a one-hour session where they can explore, interact, and share their imaginative play with their classmates.

Little City is a fully mobile, small-world role-play experience that brings a miniature city to life. With bespoke backdrops and high-quality toys and equipment, the children will enjoy a memorable, hands-on experience in a range of engaging settings.

To help us provide this opportunity, we kindly ask for a £4 contribution per pupil.

Thank you for your support in helping us create these enriching experiences for the children.

Kind regards,

Mrs Maxey
