

I begin this newsletter with a huge well done to our Year 6 pupils who have completed their SATs this week. They approached the week with calmness and positivity and should feel **incredibly proud** of themselves.

Whilst SATs results only ever capture one small part of a child's primary journey, this week our Year 6 pupils demonstrated so many qualities that we value at ABCA— independence, teamwork, perseverance and character.

A special thank you goes to Miss Miranda for her dedication and expertise in preparing the children so well whilst continuing to ensure a rich and balanced curriculum experience. Thank you also to Miss Wilkinson and Mr Green for their support, encouragement and care for the children throughout the year. We would also like to thank our governors, who supported the school throughout the SATs process and helped oversee the statutory arrangements to ensure everything was carried out appropriately and in line with national requirements. Their support and commitment to the school are greatly appreciated.

The children enjoyed a well-earned celebration afternoon at the park yesterday, followed by an afternoon of games and today they enjoyed a fascinating and fun careers-focused visit from Mr Pike from the Armed Forces. Big thanks to Mr Pike!

Next stop... CHESTER – base camp for the Year 6 all looking forward to next week's residential visit!

Thursday 21st May 2026 is an important date – it's the day the government count how many KS1 children are having a school meal, and allocate our universal free school money **funding** based on this

number. **The more meals served on this day, the more money the school gets.** So, even if you don't usually have school meals, it would be a great help if you ordered one for this day.

School Census Day Menu – Thursday 21st May Main Course:

Homemade Lasagne served with sweetcorn and garlic bread

or

Home Made Vegetarian Chow Mein served with sweetcorn and bread

Pudding:

Chocolate Sponge with (optional) Chocolate Custard
Or

Fresh Fruit Selection

This can make a **huge difference** to the funding we get for your children. Please help us by booking a lunch for your KS1 child on this day. You can even send in a packed lunch as well if you wanted to! Remember – it is **FREE!**

A reminder that we will be holding our **RSHE information and consultation session on Wednesday 20 May at 9am** in the school hall.

This session will provide parents and carers with an overview of our Relationships, Sex and Health Education curriculum, including updates to statutory guidance from September 2026. There will also be an opportunity to view materials and ask questions. The curriculum information and parent feedback form are available on the school website for anyone unable to attend.

More Y6 post-SATs fun with an Army Careers session from Mr Pike and a game of Rounders.
