

What a brilliant, busy week. On Monday Years 5 and 6 enjoyed an exciting AI photography workshop where they explored creative AI editing techniques. Thank you for supporting us by purchasing school photographs – we were given this workshop as a thank you for your orders and the children learned so much from it.

During the afternoon, Year 5 proudly presented some of their learning from the Drug and Alcohol Resistance Training (DAaRT) programme. They spoke confidently about the importance of making positive choices and demonstrated just how resilient and thoughtful they are before receiving their graduation certificates.

Afterwards, parents joining us in classrooms to see the fantastic work their children have completed throughout the year. Every class has either held, or will be holding, an open afternoon, providing opportunity to celebrate the high-quality learning, progress and achievements of our children. We couldn't be prouder of everything they have accomplished this year.

On Tuesday we enjoyed the opportunity to say thank you to parents and carers for their help and support over this year – from hearing the children read to accompanying us on trips – we are very grateful. We hope you enjoyed the performances from all the classes.

Tuesday was also a wonderful day filled with music and singing as we celebrated World Music Day with plenty of style and some great dance moves!

On Wednesday some Year 4 children visited the RSPCA to deliver the generous donations they have collected throughout the year so they could see first-hand the difference their kindness has made. As their chosen class charity, the RSPCA has been a cause they have supported with great enthusiasm and we are proud of their commitment to helping animals in need.

Thank you to everyone who donated so generously and to the parents who were able to help make the visit possible by transporting children to the centre at short notice.

Thursday was another day of courageous advocacy as Year 3 organised a Games Afternoon to raise funds for their chosen charity, Mercy Ships. Everyone had a brilliant time playing the Mercy Ship themed games and a whopping £ 250 was raised. Thank you for supporting this – these events are organised completely by the children which we think is brilliant!

We hope lots of children will get involved in this summer's reading challenge.

The 2026 theme is all about harnessing the universal appeal of music to inspire readers. This year's challenge is particularly special as it celebrates the music – from drumming and dancing to orchestras, opera, rap, K-pop and everything in between and links to reading!

Children can sign up any Nottinghamshire Inspire library – Bingham is our closest.

- Children set 6 reading goals of their choice.
- They earn rewards for every goal achieved.
- Children who complete the Challenge in libraries receive a certificate and a medal.
- Library staff and volunteers are on hand to talk to children about the books they have read.
- Libraries offer lots of free activities and events throughout the summer.
- An online challenge with digital rewards is also available www.summerreadingchallenge.org.uk
- **We will celebrate completed challenges in September**

The Summer Reading Challenge is produced by The Reading Agency and delivered in partnership with libraries.
